

The City of Atlanta

Sustainable Brownfields Redevelopment Project

BROWNFIELDS PUBLIC OUTREACH WORKSHOP II

Saturday March 31, 2007

8:30am—12:30pm

First Floor Auditorium

Georgia Power Headquarters Building

241 Ralph McGill Boulevard, NE

Atlanta, GA

Join us for the City of Atlanta's Brownfields Assessment Project Spring 2007 update. Participate in a discussion on how your community and the City can work together to identify, assess, clean up and re-develop properties that may be contaminated with hazardous substances. Please bring a list of potential brownfields sites that you have identified within your community.

Mark your calendar and come help make every property in the City of Atlanta safe, productive, sustainable and attractive!
